A. International Journal Papers (reviewed):

B. Books:

C. Chapters in Books:

D. Patents:

E. International Conference Papers (reviewed):

100. Paso T., Mäkelä J.-P., **Iinatti J.** (2010), *TDMA Slot Borrowing Scheme Utilizing Smart Antennas in Ad Hoc Networks*. IEEE Military Communications Conference (MILCOM’10), 31.10.–3.11.2010, San Jose, CA USA.

F. National Conference Papers (in Finland):

G. Other Papers and Presentations:

15. Iinatti J. (2009), Wireless Medical Communications. Eleventh Strategic Workshop (SW’09), Wireless Innovation For InterDynamic Technology (WIDTH), 15.-17.5.2009, Aalborg, Denmark (Invited presentation).
23. Iinatti J., Hämäläinen M. (2010), CWC and Wireless Medical Communications. eHealth Solutions Across the Northern Periphery, November 4, 2010, Oulu, Finland. (Keynote speech)

34. Kumpuniemi T., Hämäläinen M., Tuovinen T., Yekeh Yazdandoost K., **Iinatti J.** (2014), "Pseudo-Dynamic UWB Radio Channel Modelling for WBAN Communications". In: COST IC1004 9th Management Committee (MC) and Scientific Meeting, TD(14)09016, 5-7 February 2014, Ferrara, Italy.

35. Kumpuniemi T., Hämäläinen M., Yekeh Yazdandoost K., **Iinatti J.** (2014), "Comparison of UWB On-Body WBAN Radio Channels Between Various Test Persons - Preliminary Results". In: COST IC1004 11th Management Committee (MC) and Scientific Meeting, TD(14)11008, 24-26 September 2014, Krakow, Poland.

38. Hämäläinen M., **Iinatti J.** (2016), *Wireless Medical Communications -- WiMeC -- Overview of the research activities at CWC*, 2016 International Workshop on Smart Wireless Communications (SmartCom), 16-17.5.2016, Oulu, Finland.

39. Niemelä V., Hämäläinen M., **Iinatti J.** (2016), *A Comparison of Short/Medium Range Communications Technologies*, 2016 International Workshop on Smart Wireless Communications (SmartCom), 16-17.5.2016, Oulu, Finland.

Oulu 1.7.2016

Jari Iinatti

Dr. Tech., professor
